

Grade One Required Skills

Dear Parent,

To be accepted into Grade One at Manarat's English Section, your son must be proficient in the following basic skills:

- ✓ Basic English conversation skills (talking about his name, his KG, his home, his family, etc.)
- ✓ Basic understanding of classroom orders (sit down, get out your pencil, write your name, etc.)
- ✓ Reading the entire alphabet
- ✓ Recognizing the letters randomly, both lower case and capital.
- ✓ Reading simple CVC words (dog, cat, man, bat, ran, log, etc.)
- ✓ Writing letters and basic CVC words from dictation.
- ✓ Reading and writing numbers up to 10.
- ✓ Basic addition skills (up to 10).
- ✓ Recognizing and naming basic shapes (circles, squares, etc.)

He must show proficiency in **all** of the above skills to qualify for acceptance at Manarat's English section. The entrance exam is available through Mr. Anwar, the secretary, or through Mr. Sohaib in the computer lab.

Please note: No one may accompany the student during the exam to "translate" for him, or "explain" what the teacher is asking. This interferes with our assessment.

We wish you and your son all the best.

Moosaa Richardson
Grade 1-3 Coordinator
